Hi Ken,

We've been working on a response to Sen. Burr's letter (attached here), and believe that some of the questions raised would be best addressed by Region 4. Would you be able to take a look at the attached draft and add some language to address bullet 2 of the letter, as well as possibly adding a sentence or 2 describing the plan to take action (if such a statement is appropriate at this time)? We may revise the middle paragraph, but I thought it would be best to get this to you as quickly as possible.

Thanks, and enjoy your weekend,
